New Year - New Newsletter!

2017 was a year of fun, growth and learning for the participants at BASCA. In this, our first newsletter of 2018, we will try to catch you up on all the great activities from last year! Be on the lookout for future updates as 2018 progresses.

The year began with an amazing trip to St. Augustine and the Nights of Lights.

This month we opened our kitchen training facility. Yum! Yum!

July 2017

July brought a new and wonderful surprise for our Fundamental Skills Center! Volunteers built a wheelchair designed boardwalk. A garden and seating will be added later.

September 2017

BASCA Awareness Week culminated with the 5k Run, Walk and Roll

How can you get involved?

Throughout the year BASCA has a number of volunteer opportunities available. YOU can make a difference in the life of an individual with disabilities by giving of your time and talent! In April, we have the golf tournament. In May, volunteers staff a concession stand at The Players Championship, and in the fall comes the 5k Run, Walk and Roll. Our thrift store, The BASCA Bargain Boutique, is also a great place to volunteer! Check the website and “like” us on Facebook for up to date information!

And now a word from our CEO.....

Dear BASCA Supporters,

Welcome to the New Year and the new look for our newsletter!

Many of our stories will be featured on social media and the BASCA Facebook page; however, we still want to produce an old-fashioned newsletter for you.

Please let us know other types of information you would like for us to cover.

The two events that will be here before we know it are the **13th Annual Friends of BASCA Subaru Golf Classic** and the **Run, Walk & Roll 5k**. We will keep you updated as the events get closer. Also, make sure you visit the BASCA website (www.bascainc.org) and support BASCA by entering the drawing to **win a NEW CAR**, compliments of Subaru of Jacksonville on Atlantic!

We welcome your responses and thank you for EVERYTHING you do to make a difference in our community and for your belief that individuals with intellectual and developmental disabilities can have a better quality of life.

Regards,

Beth Clark
